## ERNST HEILAND FAMILY

I will make an attempt to put a few notes, dates, etc together for record, since no genealogical record of the family has been found at this date.

Ernst Heiland was born March 22, 1831 in Sorenbauch, Germany. He came to Illinois in 1851 and settled in Fowler Township, Adams County, Quincy, Illinois. No relatives came to the United States with him. The only known relative was a brother, a minister (probably of Lutheran Church) remained in Germany. No information as to the parents or brothers name is known at this time.

On March 29, 1865 he was united in marriage with Mary Fouse at Quincy, Illinois. A portion of this paper will give information on Mary Fouse. In a listing on microfilm of Census 1870-Page 19 Fowler Township, Adam County lists the family (spelling on census was Highland) as Ernst, Mary, and the following children: John, August, and Henry. A son Fred and daughter Mary Elizabeth were born in Illinois after the census record I refer to.

The family along with several other families left Illinois by train, and arrived in Kinsley, Kansas in March 1878. The Heening, Werner and Heitledge families were some that were known to have come west at the same time. Kinsley was at that time the end of the ? Railroad. It was completed to Dodge City, Kansas and points west in the following years. Ernst Heiland applied for Osage Land Grant abt Feb 15, 1878 and actually moved on claim about Mar 15, 1878. (Proven by copy of land Grant)

The Heilands settled in Ford County Kansas, Mapel Valley, later known as Wheatland Township. A Post Office was established at Noland, Kansas November 11, 1887. The Postmaster was Rober T. McGill. The Post Office was discontinued January 16, 1893 according to Postal records. Bellefonte, Kansas became their Post Office, and with the closing of small offices, again their mailing address was changed in the 1960's to Spearville, Kansas.

The legal description of the land homesteaded in Wheatland Township is 34-26-21 SW $\frac{1}{4}$ . A Government Patent was recorded October 13, 1898. This is recorded as Pat B Sec Twp. and Range Book. A warranty deed was recorded in 1903, October 13, on SE $\frac{1}{4}$  of Sec 33-26S 21 SW $\frac{1}{4}$  purchased from Sarah A. Romine who held a Government Patent on this quarter. Other land was added as the family could see their way clear to pay for it. The homestead is two miles south of the Northern Boundry of the Osage Indian Strip. There were a few Indian Raids, but no deaths are known from the raids. An Indian Mocassin was found after one of the raids, and it has been placed on loan to the Historical House of Stone in Dodge City, Kansas. The Arkansas River a few miles south of the homestead was one mile wide and the only way to cross it was to ford it.

Four children were born at the home in Wheatland Township, and they were: Peter J., Anna Carolina, Emma Marie, and Christopher H. They endured the hardships of the pioneers, living in a sod house, and when roads were surveyed had to provide other living quarters. The new home was built south and east of the sod house.

On October 20, 1912 a family and neighborhood gathering at the home ended in sadness with the sudden death of Mr. Heiland, apparently he was stricken with a heart seizure. He was buried in the cemetery at Offerle, Kansas, their main trading post. *Death certificate says congestion kidney & bladder - acute retention of urine*

At the time of Mr. Heiland's death all of the children were grown and married, and lived in the county with the exception of Mary Elizabeth who had married Daniel Weyrich of Kinsley and they lived in Edwards County. Mrs. Heiland lived alone, and then for a time with some of the children, but this did not work out well, so she moved to Offerle, Kansas where she bought a home. The home was located across the street from the school, and for several years the Lutheran Church had their services in the schoolhouse.

She married Dave Bird, a widower. All of his children were married. Mr. Bird passed away after several years and again she was alone. When she became ill she went to the home of her daughter Elizabeth (Lizzie) who cared for her during her last illness. Death came August 18, 1935. She was buried in the Offerle cemetery.

Mary Fouse was born October 14, 1844, in Alsace-Lorraine, France, of German parentage. The names of her parents are not known at this time. Along with her parents, one brother and four sisters, they left their homeland and arrived in Kansas in 1856. Soon after arrival in Kansas they migrated to Illinois and located near Quincy, Illinois. Soon after settling there her brother Fred left and the family never heard from him again. It was here at Quincy that she met and married Ernst Heiland. Her sisters were: Margaret who married a Meyer, Katherine who married a Schriber, Caroline married John Henry Werner, and Lena married Henry Heitledge. *Her parents were Jacob Fouse & Catherine*

The passing years saw many changes in living. Methods of transportation from horse drawn vehicles to automobiles. Grandmother owned a Buick which was in those days one of the most elegant of cars. Cow chips, timber, coal and kerosene for heat were replaced by natural gas, fuel oil, etc. Candles and kerosene lights were replaced by carbide and gasoline lamps, then with 6 volt light plants and electricity. Telephones were none existent, finally lines were strung from neighbor to neighbor, with crank type telephones until the phone companies built lines in rural areas. Horse drawn farm machinery, and steam engines were replaced by tractors, etc.

Fowler Township, Adams County, Quincy Illinois given as home address in Illinois 1870 Census for Adams County Illinois shows Ernst Heiland as owning personal property Fowler Twp. (on Microfilm of census). It showed three children in 1870. 1860 Census shows Ernst Heiland age 29 farm Laborer Gilmer Twp. Census dated 17 July, 1860.

Children listed born in Wheatland Township were born at home. Post Office address was Noland, Kansas --est Nov 11, 1887, exact location not known, closed Jan 16, 1893. Closing of Noland Post Office, then mailing address became Bellefonte, Kansas, and in 1960's the Post Office mailing address became Spearville, Kansas. For information on passing time--Windhorst C<sup>h</sup>atholic Church and Cemetery is in Ford County, Wheatland Township.

Ernst Heiland arrived in the United States in 1851 alone. Mary Fouse arrived in the states with her family in 1856 and settled in Kansas and in a short time the family migrated to Quincy Illinois. Mary and Ernst Heiland after marriage lived in Illinois, and came to Kansas arriving ~~March 1877~~ *Feb 11, 1878 - made home March 15, 1878* to make their home in Wheatland Township, Ford County, Kansas.

Mary Fouse parents were Jacob and Catharine Fouts and she had the following brothers and sisters: Fred--who left home soon after they went to Quincy and was never heard from. Lena--who married Henry Heitlage, Margaret--who married a Schriber, Catharine--who married Lando Meyer, and Caroline married John Henry Werner. All children were born in Alsac-Lorraine according to Rev Werner a direct descendent. Mary Fouse Heiland married (2) Dave W. Bird, he preceded her in death. He is buried at Kinsley, Kansas Hillside Cemetery. He had grown children at the time of their marriage, Harry, and D. L. are all that I personally knew. D.L. or Doc as he was called lived in Bucklin, Kansas in the 1920's. He was a cock, and with his wife Faye were in the resturant business all their lives. There were no children by the marriage of Mary Fouse Heiland and Dave W. Bird.

Both Ernst and Mary Heiland are listed as naturalized Citizens in 1870 Census. Records indexed in Naturalization Index, but book it is recorded in has been lost or misplaced according to the Clerk of Adams County, Quincy, Illinois. The Ernest Heiland family are listed on the 1880 Census, of which I have a copy, and He and son John are also listed in another place as away from home shearing and herding sheep.

Records at Windhorst Church give the name of Ernst Arnold Heiland as the father of Fred, Peter, and Emma when they joined the C<sup>h</sup>atholic Church. This is the first information as to the middle name of Ernst Heiland.

The German name Ernst means Bold Warriier

The German name of Heinrich means Chief of House

Magdelina-Helena-Lena are all same name in German

Ford County Records show: John Heiland signed a lease to rent land from his parents dated March 1, 1904. Lease #273 Ford County. Lease renewed 1909.

From the dates of lease we can figure that John and family moved to Kansas from Ill in about 1905 as his son Ernest was born Dec 1904 in Illinois.

It is thought that John may have gone back to Illinois after coming to Kansas with his parents, and possibly farmed some land which the family may have owned in Illinois, and there met his first wife.
